

13 April 2015

To,
MR. Mustafa Mohammed Nasser
Ministry of Awqaf
Sultanate of Oman

SUBJECT: Privileges for Ministry Staff

Dear Mr. Mustafa

We, V-KOOL Oman, the exclusive master franchisee for V-KOOL would like to extend our relationship with the Ministry for the coming year. We hold the exclusivity in the Sultanate of Oman with a network a corporate showroom in Al Khuwair & retail lounge in Muscat City Center - Seeb. We are a part of the KAPICO Group, which was founded in 1950, it's a global conglomerate with 52 companies spread across 13 countries in three continents. From automotive to lifestyle, and health care to infrastructure, we are dedicated to turning innovative ideas into essential products and services you trust. We also hold the franchising rights for V-KOOL in the United Arab Emirates and Kuwait in the GCC. I would also like to share some information about the heat control film that we market.

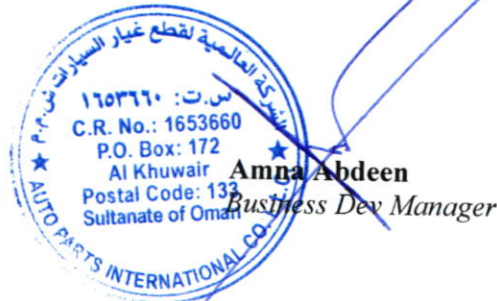

V-KOOL is the world's only spectrally selective window film that blocks out 95% of infra-red and 99% of ultra violet and yet remaining clear with a visible light transmission of 70%. V-KOOL films are produced by NASDAQ listed, Southwall Technologies (STI). V-KOOL is currently available in over 30 countries, spread across Asia, Pacific rim region, Middle East, America, South Americas and Europe. Another testimonial of V-KOOL success is when the top European car manufacturers, such as Mercedes, Audi, Renault and Volvo, incorporated V-KOOL technology as a cooling solution at the OEM level.

We would be pleased to associate with your esteemed organisation by providing the V-KOOL brand benefits to your staffs. We would like to propose a very special offer on V-KOOL® Signature package (window film) and special discounts on other products & services that we offer at the V-KOOL retail.

We would like to thank you for the time afforded to ourselves during the last visit to your office. We hope that our proposal submitted is acceptable that we affirm our relationship. Should there be any further information required please do not hesitate to get back to the undersigned and hopefully we look forward to serving the Ministry Staff in Oman.

Thanks and Best regards,

S. Saravana Natesh
S. Saravana Natesh
General Manager

- Elastomeric polymer protection system
- Dirt repelling capabilities
- Ultra-violet rejection abilities

➤ **Benefits**

- Car paint work achieves a brilliant new shine with wet-looking finish
- Maximum paint work protection against damage caused by oxidation and industrial pollutants
- Protects paint finish against discoloration, swirl and water marks
- Eliminates the frequent need for waxing and polishing, with a protection that stays active wash after wash

UPHOLESTRY FIBER GUARD

- **Product Features**

- Resin Based Formula.
- Protective film wrap around each individual fiber
- Hydrophobic Properties.
- Dirt repelling capabilities.

- **Service Benefits**

- Maintains the appearance of upholstery even after liquid spills such as soft drinks, coffee or tea.
- Reduces dirt penetration, keeping the upholstery look new.
- Retains the upholstery's natural texture resulting in a clean and unsullied appearance.
- Enhances life-span of any fabric, leather and vinyl upholstery.
- Effective on all types of upholstery including leather.
- Color less odorless protector, guards against protein spill stains while it forms an invisible barrier around each fiber so spill cannot leave a stain.

PRODUCT WARRANTY

For V-KOOL Window films

Manufacturer backed **5 years** international warranty, is provided against delamination, demetalization, peeling, cracking and discoloration. The warranty is not covered for scratches.

For ULTRAMASTER Car Care Services

SCOPE OF SERVICES

V-KOOL Oman is proud to offer special pricing on two kinds of car care services for all the Ministry Staff cars. The services are as follows:

1. **Window Tinting – V-KOOL SUPER PREMIER & SIGNATURE PACKAGE**
2. **Car Care – V-KOOL ULTRAMASTER (Body Sealant & Upholstery guard)**

FILM TYPES & SPECIFICATIONS

Reliable, value-for-money products under our V-KOOL® Signature range are offered at an affordable price, yet without compromising quality. We deliver to you a range of specialty films that will suit your needs from high performance heat and glare control to fade control and even aesthetics.

V-KOOL® SUPER PREMIER FILMS					
Film Type	Tint Factor	Light Transmission	Light Reflectance	Infra-red (Heat) Rejection	UV Rejection
VK 30	35%	36%	13%	98.5%	99%
VK 55	25%	57%	9%	98.7%	99%
V-KOOL® SIGNATURE FILMS					
Film Type	Tint Factor	Light Transmission	Light Reflectance	Infra-red (Heat) Rejection	UV Rejection
K-37	30%	37%	9%	70%	99%
K-28	35%	28%	11%	72%	99%

V-KOOL ULTRAMASTER (CAR CARE SERVICES)

ULTRAMASTER™, brought to you by V-KOOL®, is yet another revolutionary range of auto care products which are carefully engineered to deliver extreme protection and enhance durability, much like V-KOOL®'s climate control coatings where technological innovation meets market and environmental needs.

ULTRA SHINE BODY SEALANT

An elastomeric polymer paint sealant system specially formulated to achieve paint protection and shine durability. The high polymer content sealant vitrifies to a clear armor coating that seals in the shine and gloss of the car paint.
